A transfer service will take you to the study visit on the 17th as well as to the main Venue on the 18th at the OMAU (Observatorio de Medio Ambiente Urbano).

All participants to the study visits must join the transfer. If you are going on your own to the OMAU on the 18th, calculate 10-15 minutes ride from the city centre in a taxi.

Meeting point. Plaza de la Marina- Tourist Office. The bus will stop around the main entrance of the Port, facing the Tourist Office at Plaza de la Marina. We will meet at the Tourist office. The bus won't be able to stay long at that spot so we hardly recommend you to be on time.
